

SuProne Plus™ System

RT-7039 SuProne Plus Headboard

The SuProne Plus Head & Neck System allows secure, accurate and versatile positioning. With optional accessories, this will allow for prone, supine, and lateral positioning for maximum patient comfort.

Features:

- Made of carbon fiber.
- Locks down to most couches.
- Multiple attachments allow interface with the VersaBoard.
- Fits most U-Frame thermoplastic masks.
- Includes a comfort cushion for patient in prone position.
- Capable of prone, supine or lateral treatment positioning.

 Made in the U.S.A.

*Also available in Acrylic (RT-5039)
