

All inclusive, sterile, single-use tattoo device

Accu-Tatt™

The Accu-Tatt is an all inclusive, sterile, single-use tattoo device for patient marking.

Every Accu-Tatt Pouch conveniently contains (1) 1", 18 or (1) 1" 22 gauge safety hypodermic needle and (1) ampoule with black tattoo ink.

The tattoo markings made by Accu-Tatt are both small and permanent. The ergonomic design allows for increased control and assists in accurate patient setups. There are 25 tattoo pouches in every Accu-Tatt box.

Features:

- Convenience - All inclusive system
- Safety - Product sterility
- Single patient use
- Standardizes the administration of tattoos
- Increased control
